DUES: Dues in The Canadian Association of Wooden Money Collectors is only \$10.00 per calendar year and should be forwarded to our Membership Chairman - Don Robb at P. O. Box 724, Waterloo, Ontario N2J 4C2 Canada.

MAIL AUCTION: The last mail auction has now closed and Al has sent out the wood. Soon we should have the prices realized.

WOOD COLLECTION FOR SALE: Do you want to purchase over 1500 Canadian wood at one time? Unfortunately one of our members Stan Brown is selling his collection as he has moved into a nursing home. Please see the 'For Sale' ad later in this issue. Our friend Glenn Rodger is looking after the sale for Stan.

AUCTION REPORT: Our Secretary-Treasurer compiled his report and presented it to the Membership during our Annual Meeting at the CNA in Montreal. A copy is included this month. It should be noted that our expenses are exceeding our income. It won't take long to eat up the small cushion that we had built up. A member is working on a (some?) projects to add some much needed finances to our coffers. More details will be printed as they become known.

CNA WOOD: Al brought me back a few wood from the CNA Convention and kindly let me photocopy the 16 that he obtained for himself. To remain current, these are also shown in this issue. I am sorry but I do not have and data as to manufacture, number made, nor availability. You might write to those that are members of CAWMC as the address list was recently published in Timber Talk.

CNA REPORT: Our Past-President and Chairman of The Board of Governors, Norm Belsten has sent in a report that you can read later in this issue. Sorry I missed a good convention.

FREE WOOD OF THE MONTH: The wood this month is with the compliments of the 'digger' - Al Munro. It is printed in black on both sides. Thanks for the donation Al. If you have a few or a lot of wood and want to donate it to CAWMC p-l-e-a-s-e send them to the Editor.

1992 C.N.A. REPORT

The C.N.A., held in Montreal this year was no as well attended by C.A.W.M.C. Members as in previous years, many old familiar faces were absent from the Convention. We will research Several unlisted woods discovered at the Convention, and the information will be sent to Timber Talk. While at the convention I acquired several woods that were missing from my collection, along with several new C.N.A. Issues at the breakfast meeting.

The membership report showed that it is falling slightly. We need a membership drive by the members to replace those that did not renew or passed away. Several of our members are on the sick list and I am sure they would appreciate it if you dropped them a note. Pat White is down with pneumonia, John Brennan is recovering from an operation, and Howard Harris from a slight stroke.

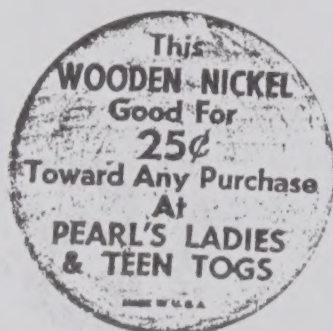

The treasurer reported that the dues do not cover our expenses, and we need some kind of fund raising to supplement our income. We need to achieve more interest in the auctions, more bids and bidders. There was a lively auction at the meeting raising approximately \$125.00 for the club, Thanks to several donated lots of woods.

Woods issued for the C.N.A. as follows, Norm Belsten, Russ Brown, Pat White, Don Robb, Lou & Yvonne Vesh, Ross Kingdon, Walter Loudon, Jerry Remick, Rose & Bob Savoy, and Wayne Gilcash.

After the convention Barry Uman invited Russ Brown and I back to his home for a visit with him and his wife. Russ and I then drove to Ottawa for a Monday visit with John Brennan, and Howard Harris. John had just come home from the hospital on the Friday, and Howard was still in hospital. Several members send woods down with me for both and they really appreciated them. All in all I had a great time at the 1992 C.N.A. and look forward to 1993.

HAPPY COLLECTING
NORM BELSTEN

NEW WOOD-OLD WOOD? A collector friend of mine has asked me if I knew anything about the following wood. I don't. Do you? If so, please let me know and I will print the information in Timber Talk and advise the lucky holder of the wood. In small print on the side pictured on the left are the words 'MADE IN U. S. A.' That is a good indication that it is a Canadian wood. Can anyone help????

NEW WOOD: Have you issued a new wood? Do you know of a wood issued in your area? Did you discover an old wood that is not listed? If so, please send what details are known to the Editor so the information can be passed on to other members. This also helps Norm compile information needed for his catalogue of Canadian wooden money.

ARTICLES: Why not write an article for Timber Talk. You don't know what to write about? Examples of topics include: 'My First Wood,' 'How I got Started Collecting Wood,' 'A Wood I discovered While on Vacation,' 'Tracing a Wood,' 'Friends I Made in This Hobby,' etc., etc. Use your imagination. Remember none of us are paid authors, we just jot down a few notes/ideas to share with others who are just like ourselves. Send in your article to the Editor. We all thank you.
